To American Bar Products, Inc. Customers

RE: Restrictions on Hazardous Substances Compliance Letter, ROHS 3, Directive 2015/863, ROHS 2, Directive 2011/65

American Bar Products, Inc. certifies compliance with the recast European Union Restriction on Hazardous Substances Directive 2015/863/EU also known as RoHS 3. American Bar Products, Inc. Produces high quality cold finished steel bar products. American Bar Products, Inc. only processes steel materials and does not knowingly add any hazardous substances as defined by RoHS 3 to the steel materials during American Bar Products, Inc.'s finishing process. American Bar Products, Inc. receives RoHS 3 compliance letters from its steel material suppliers.

Regards,

William Marsh
